

ADMIRALTY
Grove

Homes close to your heart

Build-To-Order Nov 2013

A green habitat

Located in Woodlands town, Admiralty Grove is bounded by Woodlands Avenue 6 and Drive 62. You can take your pick from the 993 units of 2-, 3-, 4- and 5-room Standard Flats housed in seven 13-storey residential blocks. One other residential block within this development is set aside for rental housing.

The name "Admiralty Grove" takes inspiration from the lush landscaping within the development.

Amenities at your doorstep

Admiralty Grove offers various landscaped spaces where you can relax and unwind after a hectic day at work. You can also choose to mingle and chat with your family and friends at the precinct pavilions.

Alternatively, you can enjoy a myriad of fun activities amid the open spaces such as working out at the adult and elderly fitness stations, playing with your children at the playgrounds, or simply enjoying a game or two with your neighbours and friends at the hard court.

In addition, the roof gardens adorning the development's two multi-storey car parks will serve as additional venues for interaction and relaxation. Those who enjoy gardening will appreciate the community gardens located here.

You will also find daily conveniences within easy reach. Admiralty Grove will have its own supermarket, eating house and shops, so you can shop and enjoy a meal close to home. A Residents' Committee Centre will also be located within the development.

Cosy homes

Admiralty Grove offers 2-, 3-, 4- and 5-room Standard Flats. All flats will come with three-quarter height windows in the living/dining area and half-height windows in other rooms.

These flats will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathrooms and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You may also opt in to have sanitary fittings installed in the bathrooms - wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package. The cost of installing these optional components will be added to the selling price of the flat.

To provide a sense of spaciousness and greater flexibility in furniture layout and design, the 3-, 4- and 5-room flats will come with an open kitchen concept. You can carry out the necessary extensions to the electrical, water and gas points provided in the kitchen as part of your renovation plans. Alternatively, you may opt in to have a partition wall installed between the living/dining area and kitchen. The cost of this optional wall will be added to the selling price of the flat.
