A relaxing sanctuary

Hougang Meadow offers various garden spaces for all to enjoy. You can choose to take a stroll through these spaces, starting from the open green areas at the ground level. From here, you can venture up to the landscaped deck above the single storey the car park. Equipped with a children's playground as well as adult and elderly fitness stations, this is an ideal venue where the entire family can exercise and have fun together. A precinct pavilion is also located here.

The rooftop garden atop the multi-storey car park is another landscaped space where you could go to for outdoor relaxation. Those with green fingers can also enjoy gardening at the community garden located here.

For added convenience, a minimart and a cafe will be provided within Hougang Meadow. A Senior Care Centre will also be set up within the development to provide day care, dementia day care, day rehabilitation services, basic nursing services and other social services. Seniors can also visit the Senior Activity Centre to make friends and engage in regular social activities.

Cosy homes

Hougang Meadow comprises Studio Apartments, 3- and 4-room Standard Flats.

The 3- and 4-room flats will come with three-quarter height windows in the living/dining area and half-height windows in other rooms.

Studio Apartments are designed specially to meet the needs of those 55 years old and above. Each Studio Apartment will be in a ready-to-move-in condition and furnished with a built-in wardrobe, floor tiles in the entire flat and wall tiles in the bathroom and kitchen, providing a hassle-free move-in process. Three-quarter height windows will be provided in the living/dining area and bedroom.

In addition, each Studio Apartment will come with a built-in kitchen cabinet with cooker hood and stove. Buyers can choose from two height options for the kitchen cabinet – default dimensions based on industry standard or lowered cabinets to suit the needs of wheelchair bound residents. For the convenience of residents, elderly-friendly fixtures will also be provided within the units. These include grab bars to provide support, ramp at the unit entrance to assist movement, bigger switches and an alert alarm system.

The 3- and 4-room flats in Hougang Meadow will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the bathroom and kitchen. For added convenience, you may opt in to have floor finishes installed in the living/dining room and bedrooms of your selected flat. You can also opt in to have sanitary fittings installed in the bathrooms - wash basin, water tap and shower mixer. These sanitary fittings, together with internal doors, will be offered as a package.

The cost of installing these optional components will be added to the selling price of the flat.
