

MATILDA SUNDECK

HDB Sales Launch – November 2016

Tranquil Living

MATILDA SUNDECK

Matilda Sundeck is located within the Matilda district of Punggol town, and is bounded by Punggol Field, Sumang Crescent, and Sumang Lane. It comprises 4 residential blocks ranging from 11 to 17 storeys. You can choose from 490 units of 4- and 5-room flats offered in this development.

The main feature of Matilda Sundeck is a central landscape deck that provides residents with a space for their recreational activities, while the design of the development's facade is inspired by the historical Matilda House. These features give inspiration to the name Matilda Sundeck.

Please refer to the site plan for the facilities to be provided in Matilda Sundeck. As this is a public housing development, facilities in this project will be opened to the public.

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.

Construction Industry Park comprises construction-related developments such as pre-cast yards, ready-mixed concrete plants, workers' dormitories (i.e. PPT Lodge 1A and PPT Lodge 1B), and aggregate and sand stockpiles

Proposed expansion of KPE/TPE interchange including link road to Punggol Central is estimated to be completed by 2019

* This site, which is currently zoned as "Civic & Community Institution" in URA's gazetted Master Plan 2014, will be rezoned to "Health & Medical Care" to meet the need for this facility in Punggol North.

Eco-Friendly Living

Matilda Sundeck is designed to fulfil the vision of establishing Punggol as an Eco-Town. To support this vision, the development has numerous eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor-controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Rainwater harvesting system to store rainwater for washing of common areas
- ABC Waters design features to clean rainwater and beautify the landscape
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development

Smart Solutions

Matilda Sundeck will feature Smart technologies to bring about a more liveable, efficient, sustainable, and safe living environment. These solutions include:

- Smart-Enabled Homes to support easy installation of smart systems
- Smart Lighting which meets the needs of residents while reducing energy consumption

Delightful Homes

Matilda Sundeck offers 4- and 5-room flats. These flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the kitchen and bathrooms. Some of these flats will come with a balcony in the living room. All new HDB flats have Universal Design features such as wider corridors, ramps instead of steps to allow for ageing in place.

Optional Component Scheme

The Optional Component Scheme provides convenience for our buyers, and is offered on an opt-in basis. Please refer to the attached Optional Component Scheme leaflet for details.

The cost of the optional components will be added to the selling price of the flat.
