

TAMPINES
GREENBLOOM

HDB Sales Launch – February 2017

Live Amid Greenery

Tampines GreenBloom is bounded by Tampines Street 85, Tampines Street 86, and Tampines Avenue 8.

The name 'Tampines GreenBloom' takes inspiration from the landscape design that features a variety of flowering plants. It comprises 3 15-storey residential blocks and offers 319 units of 4-, 5-room, and 3Gen flats. Its lush central green space features communal facilities and spaces for a moment of relaxation.

Please refer to the site plans for the facilities to be provided in these developments. As these are public housing developments, facilities in the project will be opened to the public.

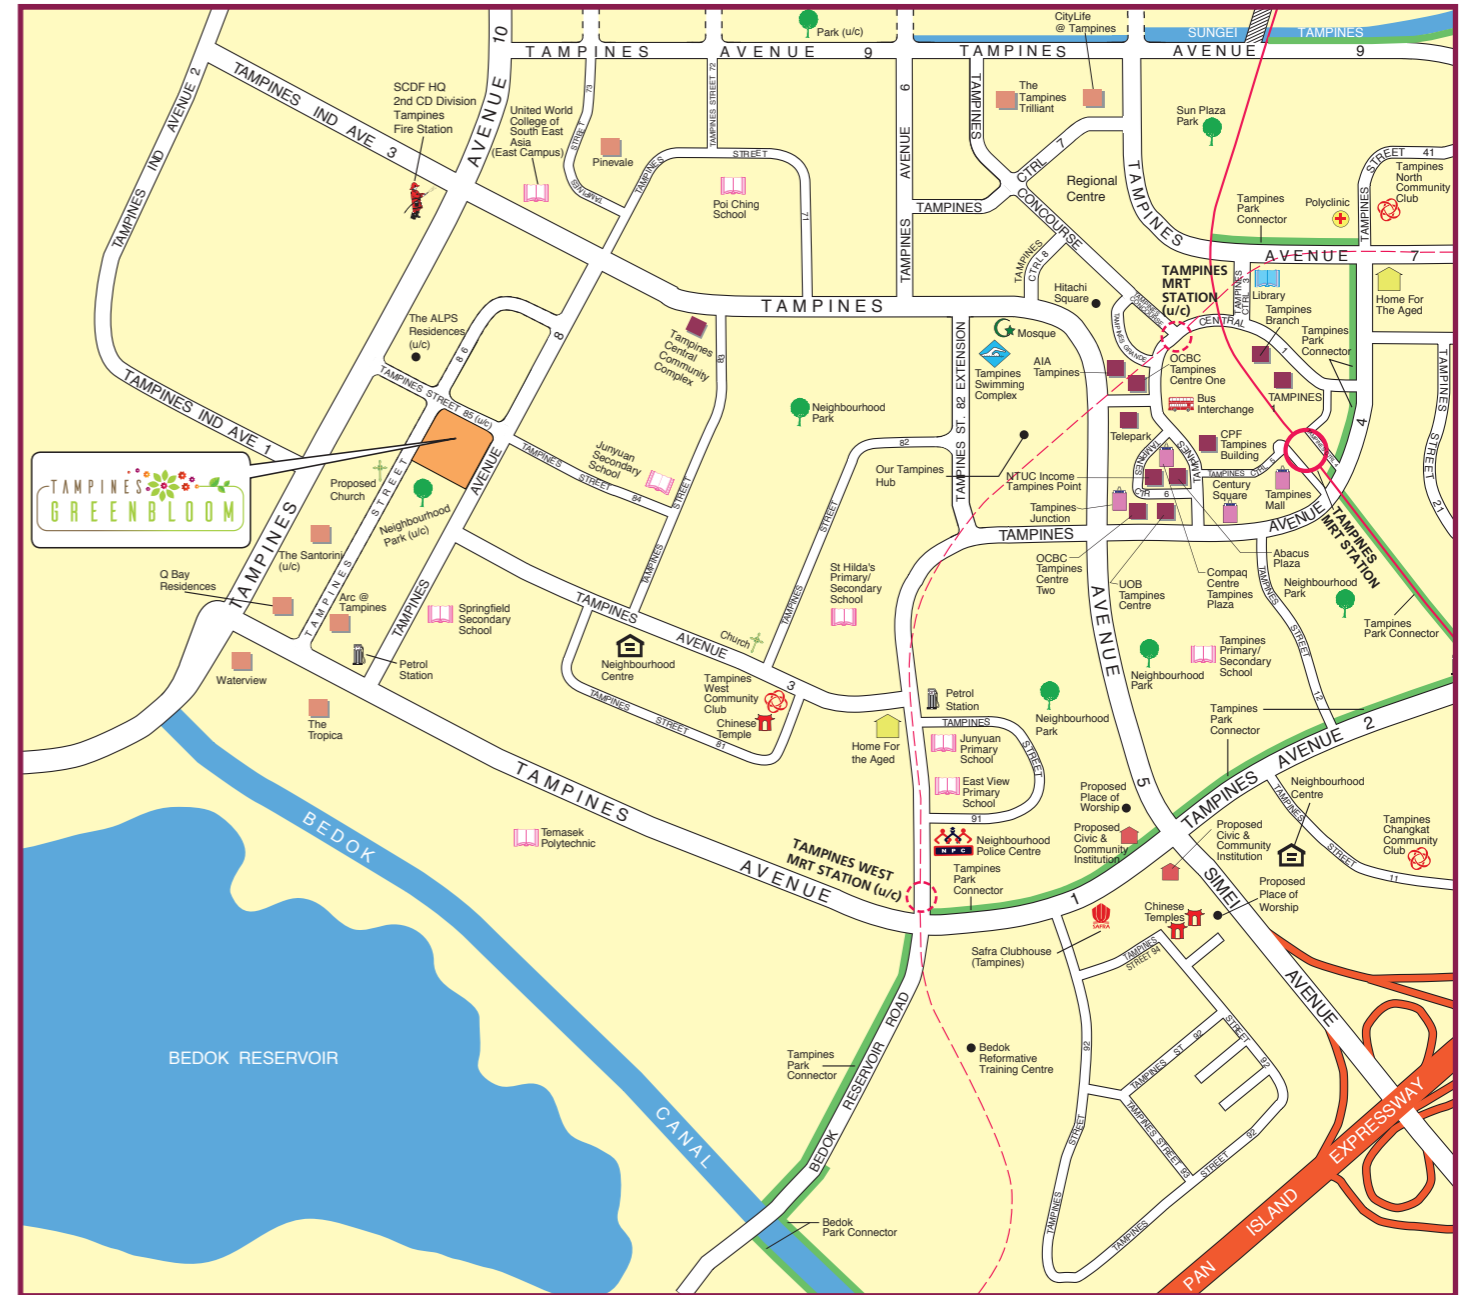

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.

LEGEND:

- MRT Line & Station
- - - - Under Construction / Future Road
- - - - MRT Line & Station (Under Construction)
- (u/c) Under Construction

Notes:

All proposed developments are subject to change and planning approval. Proposed Place of Worship includes examples like Church, Mosque, Chinese Temple, Hindu Temple, etc., subject to change and planning approval. Proposed Civic & Community Institution includes examples like Community Centre/Club, Association, Home for the Aged etc., subject to change and planning approval. The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres. The implementation of the facilities is subject to review from time to time by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

Eco-Friendly Living

To encourage a 'green' lifestyle, Tampines GreenBloom is designed with several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor-controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development

Desirable Homes

Tampines GreenBloom offers 4-, 5-room, and 3Gen flats. These flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the kitchen and bathrooms.

All new HDB flats have Universal Design features such as wider internal corridors, and ramps at the main entrance and bathrooms.

Optional Component Scheme

The Optional Component Scheme provides convenience for our buyers, and is offered on an opt-in basis. Please refer to the attached Optional Component Scheme leaflet for details. The cost of the optional components will be added to the selling price of the flat.

Notes:

1. All proposed developments are subject to change and planning approval.
2. The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres. The implementation of the facilities is subject to review from time to time by the relevant authorities.
3. The use of the void deck in any apartment block, common property (such as precinct pavilion), car park or stand-alone community building for future amenities/facilities (such as childcare centres, elderly related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities is subject to review from time to time.
4. The residential blocks may be completed ahead of the proposed precinct facilities, so that flat buyers are able to collect the keys to their new homes earlier.
5. Unless otherwise indicated in the sales brochure, all facilities within the project, including but not limited to roof gardens and sky terraces (if any), will be open to the public.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

OPTIONAL COMPONENT SCHEME (3-, 4-, 5-ROOM AND 3GEN FLATS)

The Optional Component Scheme (OCS) provides convenience for flat buyers, and is offered on an opt-in basis. Choose the OCS items you want before your flat selection appointment. The cost of the OCS items will be added to the selling price of the selected flat.

The 3-, 4-, 5-room and 3Gen flats come with:

- floor finishes in the kitchen, household shelter, service yard and bathrooms
- wall tiles in the bathrooms and kitchen
- water closet suite in each bathroom

YOU CAN CHOOSE TO HAVE THE FOLLOWING ITEMS INSTALLED IN YOUR SELECTED FLAT:

- Floor finishes for living/ dining room and bedrooms
- Internal doors + sanitary fittings
 - wash basin with tap mixer
 - shower set with bath/ shower mixer

Wash basin with tap mixer in attached bathroom

Wash basin with tap mixer

Handheld shower set with bath/ shower mixer

KITCHEN PARTITION WALL (where feasible)

To provide buyers greater flexibility in terms of layout and design, some flats will come with an open kitchen concept. You can opt-in to have a partition wall between the living/ dining area and kitchen, if you do not want an open kitchen concept.

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.
