

The logo for Tampines GreenCrest features a stylized building icon on the left, composed of vertical lines of varying heights. To the right, the word "Tampines" is written in a small, green, sans-serif font, and "GreenCrest" is written in a larger, orange, cursive font. A green swoosh underline is positioned beneath the text.

Tampines GreenCrest

HDB's Sales Launch August 2020

Modern Homes Amid Tranquil Surroundings

Located in Tampines North, Tampines GreenCrest will be bounded by Tampines Street 64 and Tampines North Drive 2. This development will offer flats with shorter waiting time.

The 3 residential blocks at Tampines GreenCrest are designed to reflect the tranquillity of Tampines North, and come in varying heights ranging from 8 to 16 storeys. This creates an imagery of landscaped terraces, which gave inspiration to its name. You can choose from 346 units of 3-, 4-, and 5-room flats.

Artist's impression

Located next to upcoming parks and Sungei Api Api, the roof gardens located above the Multi-Storey Car Park and in some residential blocks will serve as ideal spots to enjoy views of the surroundings.

Tampines GreenCrest comes with various recreational facilities, such as playgrounds and fitness stations. An eating house, minimart, shops, and a childcare centre are conveniently located within the development. This development is also located near the upcoming Tampines North MRT station and will be well-served by existing amenities in Tampines.

Please refer to the site plan for the facilities provided in this development. Facilities in this development will be accessible by the public.

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
