

INPARC WOODS
@ T E N G A H

**HDB'S SALES LAUNCH
FEBRUARY 2021**

PARC WOODS @ TENGAH

Located in the Park district of Tengah town, Parc Woods @ Tengah is bounded by Tengah Drive and Tengah Boulevard. The development comprises 5 residential blocks ranging from 12 to 14 storeys in height. You can choose from 767 units of 2-room Flexi, 3-, and 4-room flats.

Parc Woods @ Tengah offers residents the experience of living in a forest-like environment, with its lush landscapes, vertical green elements adorning building facades to mimic trees, and the design of some of the play facilities in the common areas taking on the form of rainforest animals.

The development comes with a childcare centre, a Residents' Committee Centre, children's playgrounds, and adult and elderly fitness stations. Rooftop gardens adorn the Multi-Storey Car Park and some of the residential blocks. Please refer to the site plan for the facilities provided in the development. Facilities in this development will be accessible by the public.

ABOUT TENGAH TOWN

Homes in Tengah town will be surrounded by lush greenery and nature. To harness nature's benefits for greater environmental health and human well-being, HDB has applied its Biophilic Town Framework to guide the enhancement of existing natural assets and the development of neighbourhood landscapes in Tengah. Residents can look forward to nature-centric neighbourhoods that offer a strong sense of place, better well-being, and an enhanced quality of life.

A town-wide Active, Beautiful, and Clean Waters design strategy will be introduced to draw people closer to nature, with a variety of outdoor spaces and landscape features which slow down and treat stormwater runoff. For more details on Tengah town, please visit HDB's exhibition (<http://www20.hdb.gov.sg/fi10/fi10349p.nsf/tengah/indexcopy.html>) at HDB Hub, Toa Payoh.

Tengah will be the first town to integrate housing developments with the area's surrounding greenery and biodiversity. One major attraction will be the approximately 100-metre wide and 5km long Forest Corridor, which will form part of the larger network of greenery that connects the Western Water Catchment Area and the Central Catchment Nature Reserve. In collaboration with the National Parks Boards, various tree species will be planted in the Forest Corridor to transform it into a rich forest habitat.

Complementing the Forest Corridor is the Forest Fringe, a 15- to 20-metre wide linear greenscape that will provide a tranquil and rustic environment for residents to enjoy flora and fauna, and envelop the town within a scenic and natural landscape. In addition, extensive park spaces, such as the Central Park and Community Farmways, will string key amenities and facilities together, providing a safe environment for residents to access their daily amenities.

Tengah will be the first HDB town to have a car-free town centre nestled next to a lush green park. To encourage green commuting, there will be dedicated walking and cycling paths along all roads to create seamless connections within the town. The upcoming Jurong Region Line and bus services will serve the public transport needs of residents.

Tengah is also the first HDB town to be planned with town-wide smart technologies from the outset. Guided by HDB's Smart Town Framework, the various districts will integrate smart technology in its design, so that residents can enjoy a quality living environment. Autonomous vehicles will be piloted in Tengah town to provide convenient first-mile-last-mile connection to key transport nodes and amenities.

Vibrant commercial facilities are planned for the town centre and in the districts, complementing other shopping and dining options in the nearby Bukit Batok town. Check out the heartland shops on Where2Shop@HDB (<https://www.hdb.gov.sg/cs/infoweb/residential/where2shop/explore/bukit-batok>).

Artist's impression only. Actual design may vary.

Park District

ABOUT PARK DISTRICT

Park District is located at the heart of Tengah, nestled within a lush forest park.

Residents can enjoy quality living amidst greenery, and connect with the community through a myriad of amenities and green spaces. There are green and blue spaces found within Park District, such as the Plantation and Garden Farmways, Rainforest Walk, Forest Stream, green links, rain gardens, and skyrise greenery. These spaces provide visual relief, and create more outdoor recreational opportunities for residents.

Park District is also home to the Market Place, Singapore's first car-free HDB town centre which will provide a safe environment for walking and cycling. The town centre will be set amidst a lush park, with vehicles plying underneath the town centre. It will offer a greener, car-lite, people-friendly, and pedestrian-friendly environment.

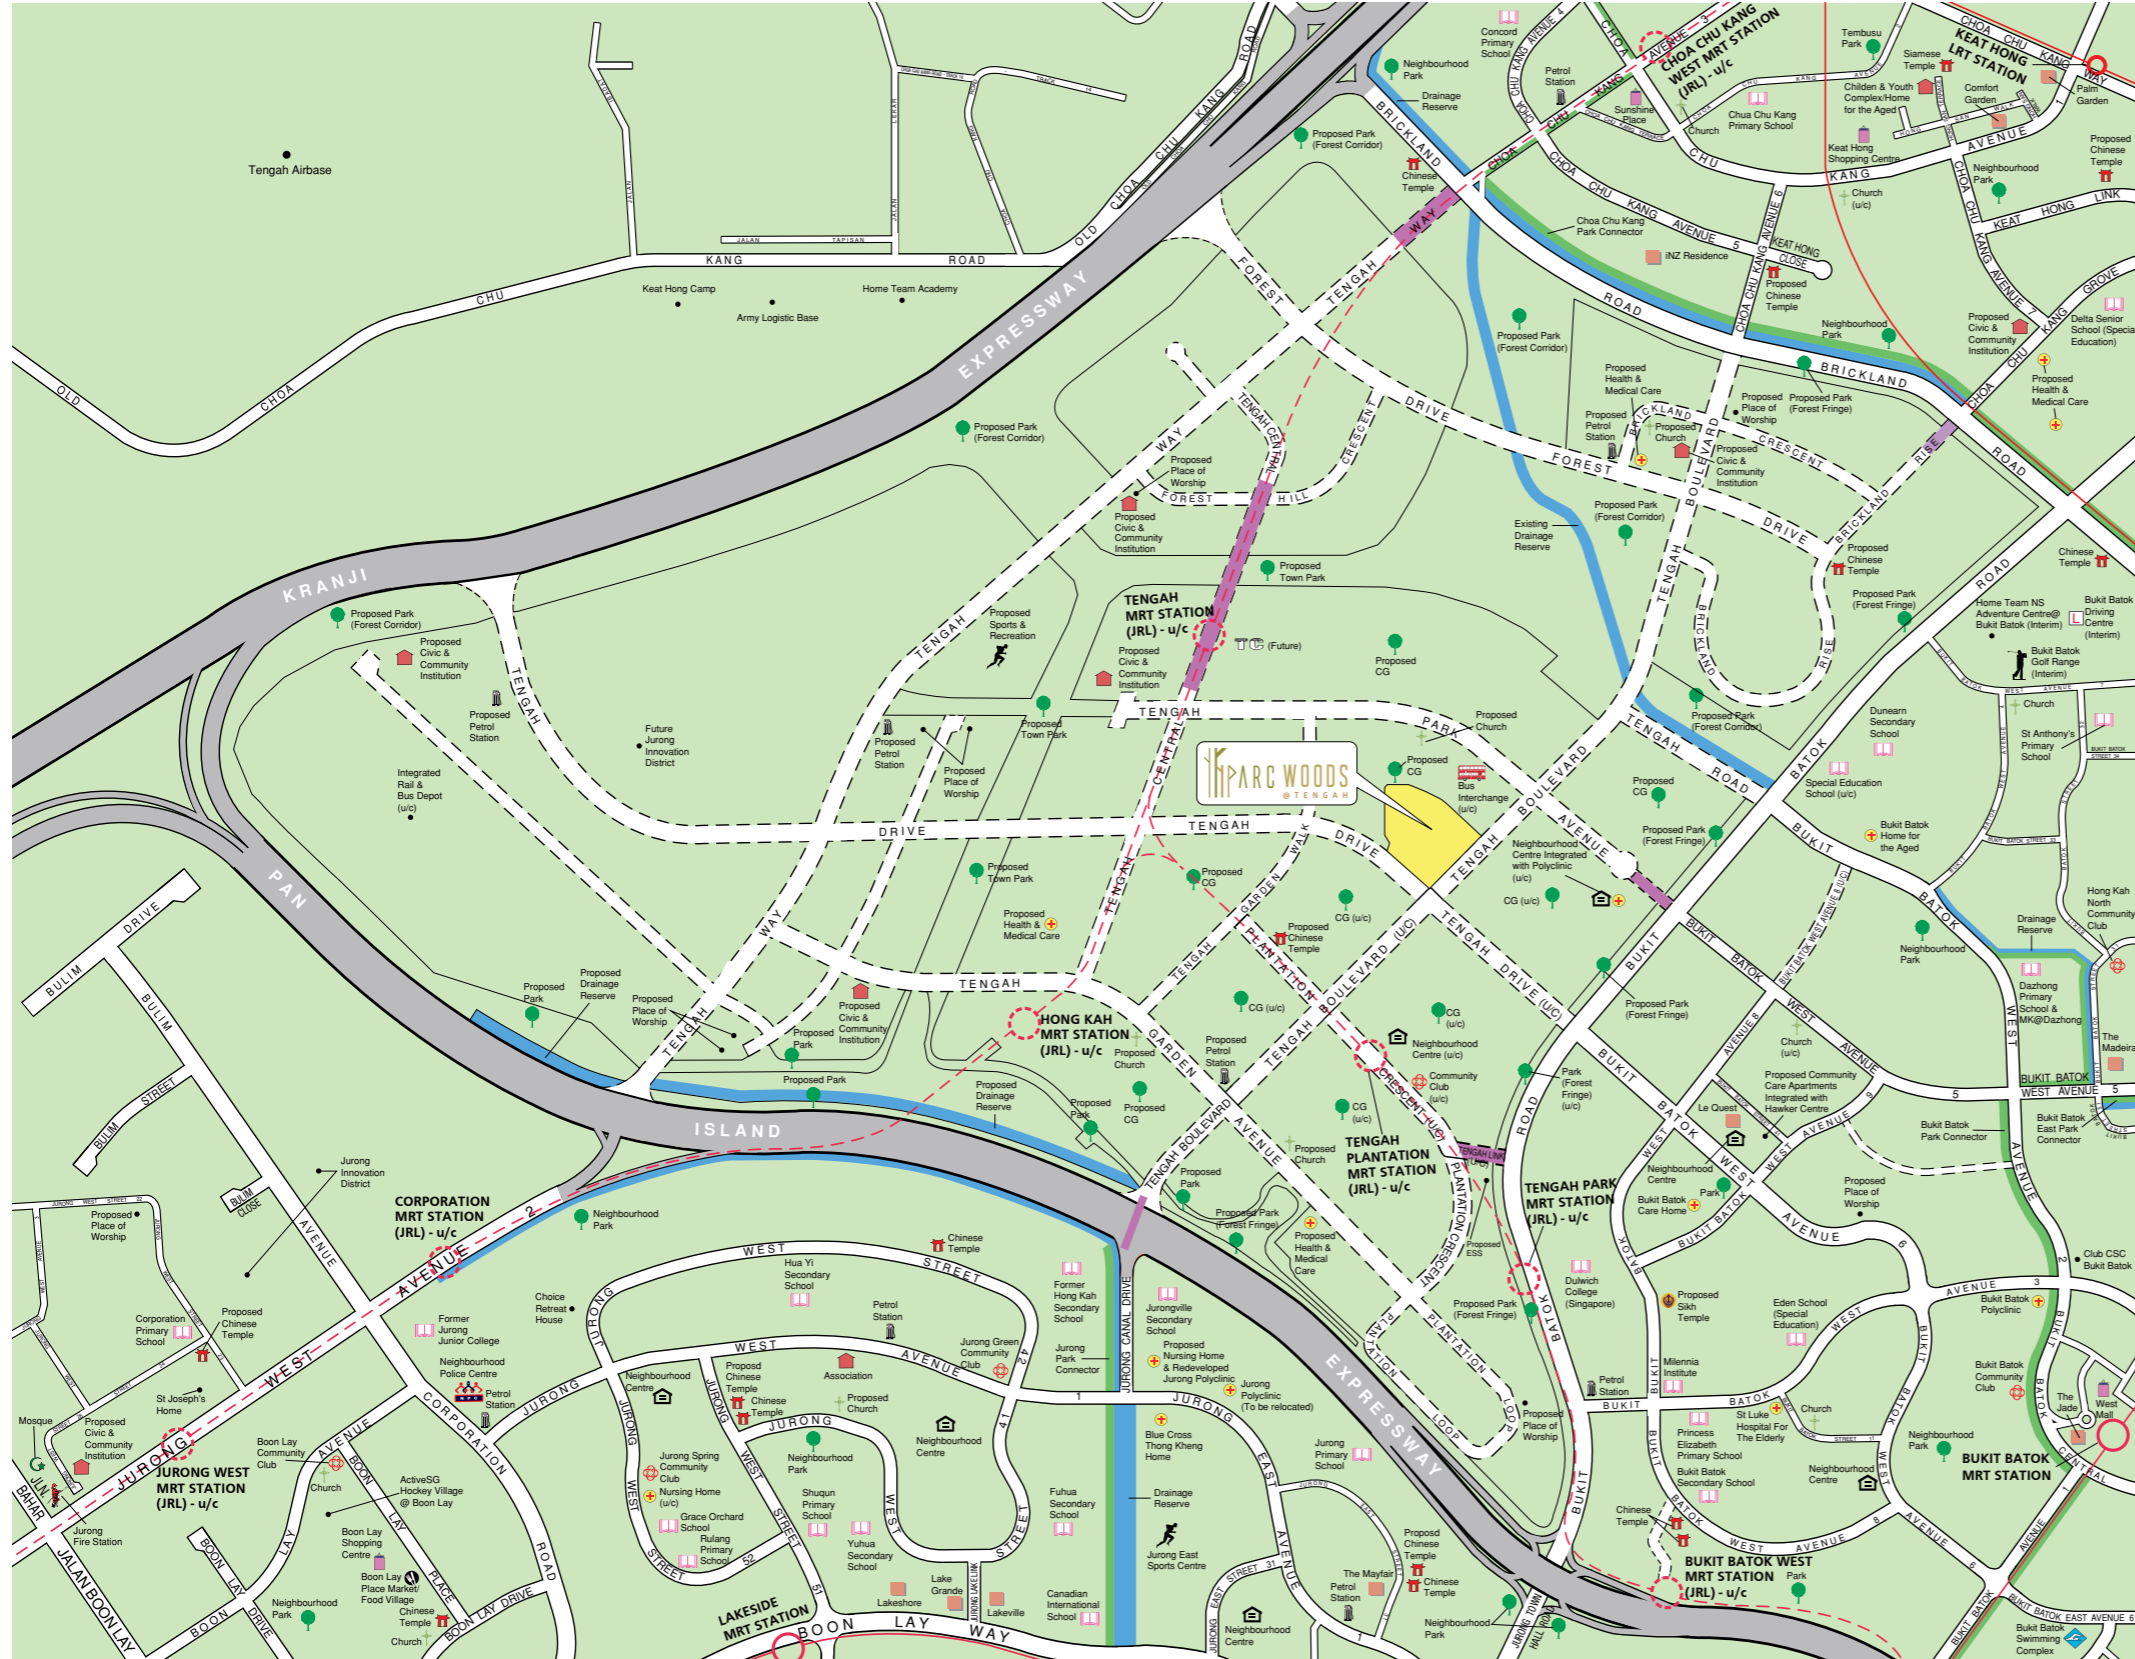

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres, and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

To facilitate your flat application, we have provided information on the surrounding land use, proposed facilities, and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant authorities, such information is indicative only and are subject to review from time to time.

TENGAH

- MRT Line & Station
- MRT Lines & Station (u/c) (working names only)
- LRT Line & Station
- Common Green
- Under Construction/Future Road
- (u/c) Under Construction
- ESS Electrical Substation
- Future Transit Priority Corridor
- MK MOE Kindergarten

Notes:

1. All proposed developments and facilities as well as their locations shown are indicative only and are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
2. Proposed Place of Worship includes examples such as Church, Mosque, Chinese Temple, Hindu Temple, etc.
3. Proposed Civic & Community Institution includes examples such as Community Centre/Club, Association, Home for the Aged, etc.
4. Proposed Health & Medical Care includes examples such as Hospitals, Polyclinics, Clinics, Nursing Homes and Eldercare Facilities, etc.
5. The developments and facilities shown (whether existing or proposed) may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship and funeral parlours may include columbarium, community centres may include childcare centres, and schools may be upgraded or built with higher-rise blocks.
6. Transit Priority Corridors (TPCs) are corridors that put together a combination of bus priority solutions to enhance bus priority. Features may include existing measures such as bus lanes or new concepts such as bus-only roads.
7. In view of the COVID-19 situation, temporary COVID-19 related facilities may be set up near residential areas by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

In a bid to go green for the earth, Parc Woods @ Tengah will have several eco-friendly features to encourage green and sustainable lifestyles, such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable products in the development
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

SEPARATE CHUTES FOR RECYCABLE WASTE

BICYCLE STANDS

ABC WATERS DESIGN FEATURES

SMART SOLUTIONS

Parc Woods @ Tengah will come with the following smart solutions to reduce energy usage, and contribute to a more sustainable and safer living environment:

- Smart-enabled homes with provisions to support easy installation of smart systems
- Smart Lighting in common areas to reduce energy usage
- Smart Pneumatic Waste Conveyance System to optimise the deployment of resources for cleaner and fuss-free waste disposal

CENTRALISED COOLING SYSTEM

Home owners at Parc Woods @ Tengah can subscribe to have air conditioning provided from a centralised cooling system. This system for public housing is the first of its kind in Singapore.

Cooling to each household unit will come from highly energy efficient chillers, and home owners need not install nor maintain outdoor condensing units on their air-conditioner ledge. They will get to enjoy cost savings while contributing to a sustainable lifestyle in this eco-friendly district. Home owners may decide to subscribe to the centralised cooling system after signing the Agreement for Lease. More information will be provided during the flat selection exercise.

For further enquiries, please contact SP Group at tengahcooling@sppgroup.com.sg or visit [mytengah.sg](http://www.mytengah.sg) (<http://www.mytengah.sg/>).

FINISHES AND FITTINGS

To boost construction productivity, Parc Woods @ Tengah will be built using the Prefabricated Prefinished Volumetric Construction (PPVC) method. The flats will come with full floor finishes, internal doors, and sanitary fittings.

2-ROOM FLEXI

Available either on a 99-year lease or short-lease

- Vinyl strip flooring in the:
 - living/ dining room
 - bedroom
- Floor tiles in the:
 - bathroom
 - household shelter
 - kitchen
- Wall tiles in the:
 - bathroom
 - kitchen
- A sliding partition/ door for the bedroom and folding bathroom door
- Sanitary fittings, i.e. wash basin with tap mixer, shower set with bath/ shower mixer, and water closet suite
- Grab bars
(for 2-room Flexi flats on short-leases)

3- AND 4-ROOM

- Vinyl strip flooring in the bedrooms
- Floor tiles in the:
 - living/ dining room
 - bathrooms
 - household shelter
 - kitchen/ utility (3-room)
 - kitchen and service yard (4-room)
- Wall tiles in the:
 - bathrooms
 - kitchen/ utility (3-room)
 - kitchen (4-room)
- Internal doors for bedrooms and folding doors for bathrooms
- Sanitary fittings, i.e. wash basin with tap mixer, shower set with bath/ shower mixer, and water closet suite

OPTIONAL COMPONENT SCHEME

Elderly buyers of short-lease 2-room Flexi flats can opt in for elderly-friendly fittings and other items under the Optional Component Scheme (OCS). Please refer to the attached OCS leaflet for details.

If an elderly buyer opts in for the OCS, the cost of the optional components will be added to the price of the 2-room Flexi flat.

LAYOUT IDEAS

2-ROOM FLEXI (TYPE 1) FLOOR PLAN (With Suggested Furniture Layout)

Approx. Floor Area 40sqm

Inclusive of Internal Floor Area of 38sqm and Air-con Ledge

2-ROOM FLEXI (TYPE 2) FLOOR PLAN (With Suggested Furniture Layout)

Approx. Floor Area 49sqm

Inclusive of Internal Floor Area of 47sqm and Air-con Ledge

To meet the different lifestyle needs, the 47sqm 2-room Flexi flats come with a flexible space which flat buyers can use according to their preference. This flexible space can be used for dining, a study or to place an extra bed.

2-ROOM FLEXI (TYPE 2) FLOOR PLAN (With Suggested Furniture Layout)

Approx. Floor Area 49sqm

Inclusive of Internal Floor Area of 47sqm and Air-con Ledge

3-ROOM FLOOR PLAN (With Suggested Furniture Layout)

Approx. Floor Area 71sqm

Inclusive of Internal Floor Area of 68sqm and Air-con Ledge

To cater to changing lifestyles and to provide more flexibility in the use of kitchen space, HDB has designed the flats with a combined kitchen/ utility space.

The layout offers homeowners flexibility in configuring the area according to their preferences.

For example, you can add a partition to separate the utility from kitchen.

4-ROOM FLOOR PLAN (With Suggested Furniture Layout)

Approx. Floor Area 94sqm

Inclusive of Internal Floor Area of 91sqm and Air-con Ledge

Notes:

1. All proposed developments and facilities as well as their locations shown are indicative only and are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
2. The developments and facilities shown (whether existing or proposed) may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship and funeral parlours may include columbarium, community centres may include childcare centres, and schools may be upgraded or built with higher-rise blocks.
3. The use of the void deck in any apartment block, common property (such as precinct pavilion), car park or stand-alone community building for future amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities, is subject to review from time to time.
4. The residential blocks may be completed ahead of the proposed precinct facilities, so that flat buyers are able to collect the keys to their new homes earlier.
5. Unless otherwise indicated in the sales brochure, all facilities within the project, including but not limited to roof gardens and sky terraces (if any), will be open to the public.
6. In view of the COVID-19 situation, temporary COVID-19 related facilities may be set up near residential areas by the relevant authorities.

APPLICANTS ARE ENCOURAGED TO VISIT THE PLACE BEFORE BOOKING A FLAT.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

Elderly buyers of short-lease 2-room Flexi flats who wish to enjoy the convenience of having a flat in move-in condition can opt in for the following:

ELDERLY FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

With these features, the use of the induction hob would promote a safer and cleaner environment.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)

- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower counter top height

- Folding door at the flexible space next to bedroom

OTHER FITTINGS

- Window grilles for safety and security

- Mirror

- Toilet roll holder

- Lighting

- Water heater

The cost of this OCS package will be added to the selling price of the selected flat.
