

Located in Sengkang Town and bounded by Sengkang East Road, Compassvale Street and Compassvale Crescent, Compassvale Boardwalk comprises five 15-storey residential blocks of 474 units of 4- and 5-room Standard flats.

The Compassvale neighbourhood is designed with the theme of a fishing village. Taking design cues from kelongs which are built predominantly with wood and wooden planks, Compassvale Boardwalk features boardwalks in its landscape design. This is the inspiration for the development's name.
